Vendor Demonstrations

There will be a designated “stage” with a published schedule for marketplace vendors to showcase their talents, crafting abilities and/or fibre products.

Please let me know if you would like to showcase your product or service in a 20 to 30 minute demonstration or hands-on session with a captive audience.

We will have volunteers available to cover your booth if you are flying solo that day.

Yes! I want to demonstrate on the vendor stage. Let’s talk!

Guidelines

Sales information - The intent of Sisterhood Fibres is to showcase fibre arts, fibre animals and other small farming ventures with a focus on fibre products. Products offered for sale should be related to fibre, the animals used to produce the fibre, or small agricultural farming in general. This includes tools and equipment required to process fibre and/or operating a small farm. Preference will be given to Canadian made products.

We also welcome locally handcrafted and hand made products such as soap, jewellery, food and drink.

General information - Vendors are required to remain open from 10:00am to 3:00pm on Saturday, June 13th. Set-up time is from 8:00 am to 9:45 am on Saturday June 13th.

Vendors are responsible to remove any garbage when disassembling their booth.

Email registration form to: faith@sisterhoodfibres.com

An invoice will be emailed (with payment instructions) when vendor space is reserved for you.
